Referee Administrator (signature): _____

The Team Leader (name on line one) will be the primary contact for this Referee Team. All referees must be a minimum of sixteen years of age. Any exception to this age rule must be discussed with the Area Referee Administrator to get prior approval. Youth referees will not be accepted as substitutes without approval.

Although referee teams are preferred and encouraged, individual referees are invited and will be assigned to a team. Individuals please fill out the same information above. All referees are required to wear the proper referee apparel. This includes black shoes & shorts (not player shorts), official referee socks, AYSO badge, and Gold referee shirt with alternate colors (if possible). **Referee teams not appropriately attired may not be allowed to referee.**

Section 10 rules require the Regional Referee Administrator to sign for U10-U14 teams. If you have any questions or need further information, please feel free to contact Bill Gray, Area Referee Administrator. See the Area Staff page.
